Kwera uniquely finances students enrolling at University of Malawi (UNIMA), Mzuzu University (MZUNI), Malawi University of Science and Technology (MUST), Lilongwe University of Natural Resources (LUANAR), Kamuzu University of Health Sciences (KUHeS) and Malawi University of Business and Applied Sciences (MUBAS). The institutions are at a minimum accredited by the National Council for Higher Education (NCHE).

We are interviewing candidates on a rolling basis. Apply now to enhance your chances of becoming our new Student Climber. Applying at Kwera does not guarantee enrolment. Your entire application, including your vision, drive and integrity, will be evaluated. We do not finance students who have been or are being funded by the Higher Education Students' Loans and Grants Board (HESLGB). This is to avoid conflict of interest after graduation. Successful applicants will be invited to two interviews where we assess your integrity. The first interview will be conducted by an enrolled Student Climber and the second interview by a member of Kwera.

The closing date for receiving applications is on 22nd August 2022, before close of business.
