| b. Bachelor of Science (Geology)                       | BSCGE  | Mature        |  | Full-time            | Year 2/3              | 4 years            | Malawi -850,000.00<br>SADC USD 1,200<br>NON-SADC USD2,000    | 6 Subjects passed with credit at MSCE including Geography and Mathematics and a recognized Diploma in cognate disciplines of Geography, Physical Planning, Environmental Geology, Geology, Hydrogeology, Mining, Mineral, Exploration, Remote Sensing, Geographical Information Systems, Seismology, Climate Change, Geophysics, Geochemistry or any other Geology related field. |
| c. Bachelor of Science (Food & Nutrition)              | BSCFN  | Mature        |  | Full-time            | Year 2/3              | 4 years            | Malawi -850,000.00<br>SADC USD 1,200<br>NON-SADC USD2,000    | 4 subjects passed with credit at MSCE including 3 Science subjects and English and a recognized Diploma in Home Economics or related programmes such as Community Health, Nutrition, Family Studies, Early Childhood Development and Education.   |
| d. Bachelor of Science (Family and Consumer Science)   | BSCFCS |               |  |                      |                       |                    |  |   |
| e. Bachelor of Science (Physics)                       | BSCPHY | Mature        |  | Full-time            | Year 2                | 4 years            | Malawi -850,000.00<br>SADC USD 1,200<br>NON-SADC USD2,000    | 6 subjects passed with credit at MSCE (or its equivalent) including English, Mathematics, Physical Science, Physics, General Science and Chemistry and a Diploma from a recognized institution (with a minimum of a credit) and having Physics as a major.  |
| f. Bachelor of Science (Electronics)                   | BSCELE | Mature        |  | Full-time            | Year 2                | 4 years            | Malawi -850,000.00<br>SADC USD 1,200<br>NON-SADC USD2,000    | 6 subjects passed with credit at MSCE (or its equivalent) including English, Mathematics, Physical Science, Physics, General Science and Chemistry and a Diploma from a recognized institution (with a minimum of a credit) having Electronics or Electrical Engineering as a major.  |
| g. Bachelor of Science (Biological Sciences)           | BSCBIO | Mature        |  | Full-time            | Year 2/3              | 4 years            | Malawi -850,000.00<br>SADC USD 1,200<br>NON-SADC USD2,000    | 6 subjects passed with credit at MSCE (or its equivalent) including English, Biology, Mathematics, Physical Science (or General Science/Chemistry/ Physics) and a biological sciences related Diploma from a recognized institution such as those offered at Domasi College of Education, Natural Resources College, Malawi College of Health Sciences, etc                       |
| h. Diploma in Statistics                               | DPSTA  | Mature        |  | 2-week block release | Year 2                | 2 years            | Malawi- K850,000.00<br>SADC USD 1, 200<br>NON-SADC USD 2,000 | Holders of any relevant post-secondary school certificate with at least 2 years work experience and holders of MSCE or O-Level certificate of IGSCE or GCE or its equivalent at least 4 credits including Mathematics and English.  |
| <b>Faculty of Social Science – Chancellor College</b>  |        |               |  |                      |                       |                    |  |   |
| a. Bachelor of Arts                                    | HRM    | Mature        |  | Weekend              | Year 3                | 4 years            | Malawi -850,000.00   | 4 credits including English at MSCE or its equivalent and Recognised  |

| College and Programme                                 | Abbrev          | Type of Entry                 |  | Mode of Delivery | Minimum Year of Entry | Programme Duration | Tuition Fee per Annum   | Additional Entry Requirements to those contained under <u>Section 1 (a – c) above</u>  |
|---|-----------------|-------------------------------|--|------------------|-----------------------|--------------------|---|--|
| (Human Resource Management)                           |                 |                               |  |                  |                       |                    | SADC USD 1,200<br>NON-SADC USD2,000   | Diploma in Management, Administration or Human Resource fields. Those with a recognised Bachelor's degree with two years experience would also be considered.  |
| <b>Faculty of Medicine - College of Medicine</b>      |                 |                               |  |                  |                       |                    |   |  |
| a. Bachelor of Science in Internal Medicine           | BIM             | Mature                        |  | Full-time        | Year 3                | 5 years            | K1,350,000  | 6 Subjects passed with credit at MSCE including English, Biology, Physical Science (or Chemistry/Physics) and Mathematics and a recognised Diploma in Clinical Medicine or its equivalent from a recognised institution plus at least two years working experience as a clinical officer providing surgical and other clinical care services, relevant to the programme chosen at a district or rural hospital. General clinical officers are also encouraged to apply for 3-year upgrading programmes leading to BAI (Hon) and BTO (Hon). Clinical officers already with Diplomas in Anesthesia or Orthopedics will do 2-year upgrading programmes leading to BAI and BTO respectively. Candidates must be registered with the Medical Council of Malawi. Additionally candidates must demonstrate evidence of leadership skills, excellent communication skills, commitment to providing clinical services at district or rural/mission hospitals in Malawi. |
| b. Bachelor of Science in Obstetrics & Gynecology     | BOG             | Mature                        |  | Full-time        | Year 3                | 5 years            | K1,350,000  |  |
| c. Bachelor of Science in General Surgery             | BS              | Mature                        |  | Full-time        | Year 3                | 5 years            | K1,350,000  |  |
| d. Bachelor of Science In Trauma and Orthopedics      | BTO             | Mature                        |  | Full-time        | Year 3                | 5 years            | K1,350,000  |  |
| e. Bachelor of Science in Pediatrics & Child Health   | BPCH            | Mature                        |  | Full-time        | Year 3                | 5 years            | K1,350,000  |  |
| f. Bachelor of Science in Anesthesia & Intensive Care | BAI             | Mature                        |  | Full-time        | Year 3                | 5 years            | K1,350,000  |  |
| g. Postgraduate Diploma in HIV Medicine               | PG-DIP (HIVMED) | Mature                        |  |                  | Year 4                | 1.5 years          | USD3000.00  | Admission into the programme will require a minimum of a Bachelor of Science degree in nursing, Bachelor of Science in a clinical field (Pediatrics and Child Health, Internal Medicine, Surgery, Obstetrics and Gynecology, Anesthesia and ICU, Trauma and Orthopedics) or a medical degree (MBBS) plus 6 MSCE or O-Level credits including Biology and Chemistry/Physical Science a third science subject like Physics or Mathematics. Additionally the student should hold an MOH-ART provider certification or equivalent and be registered by the Medical or Nurses Council of Malawi.  |
| h. Bachelor of Medicine, Bachelor of Surgery          | MBBS            | Malawian Mature/International |  | Full-time        | Year 1                | 5 years            | K1,350,000.00 Malawians,<br>\$5,722.58 SADC residents,<br>\$8,722.50 Non-SADC residents | 3 A-Level passes with a grade of at least 'C' in Biology, Chemistry and a third science subject like Mathematics or Physics obtained in the current year or the previous 2 years. <i>Candidates must have MSCE/O-Level creditpasses in English and Mathematics if these two subjects were not done at A-Levels. Or</i>   |
|   |                 |                               |  |                  |                       |                    |   | At least an average of 60% in Chemistry, Biology and a third Science subject like Mathematics, Physics or Statistics at the end of second year of a recognised Bachelor of Science/Education Science Degree programme. <i>Or</i>   |
|   |                 |                               |  |                  |                       |                    |   | A recognized Bachelor of Science/Education Science Degree majoring in Biology and Chemistry. A Bachelor of Nursing degree. <i>Or</i>   |
|   |                 | Mature                        |  | Full-time        | Foundation year       | 5 years            | K1,350,000.00 Malawians,<br>\$5,722.58 SADC residents,<br>\$8,722.50 Non-SADC           | A recognized Diploma in Clinical Medicine with at least two years relevant work experience and 6 MSCE/O-Level credits including English Language, Biology and Physical Science. <i>Or</i><br>A Degree or Diploma in any field plus 6 MSCE or O-Level credits including Biology and Chemistry/Physical Science a third science subject  |
