

## MASTER OF SCIENCE IN ENVIRONMENTAL HEALTH (MEH) DAAD SCHOLARSHIP ANNOUNCEMENT (2023 COHORT)

The Malawi University of Business and Applied Sciences (MUBAS), School of Science and Technology, is inviting applications for the Master of Science in Environmental Health Programme which will commence in September / October 2023. The programme has limited scholarships offered by DAAD for national and international applicants. As part of the In-Country/In-Region Scholarship Programme, DAAD offers scholarships for Master's studies. The programme is funded by the German Federal Ministry of Economic Cooperation and Development (BMZ) and aims at university staff in the first line, without neglecting the public sector demand of academically trained personnel.

### Programme Overview

The programme is divided into two parts: coursework and dissertation. The coursework comprises 10 core modules namely Epidemiology and Biostatistics, Environmental Pollution Control, Food Safety and Hygiene, Health Communication and Behaviour Change, Health Impact Assessment, Occupational Health and Safety, Project Management, Research Methodology, Water and Sanitation and Environmental Health and Sustainable Development. To graduate with an MSc, students must undertake a research project culminating in the production of a dissertation. The recommended duration of the programme is four semesters (two years) full-time.

### Admission Requirements

Applicants must have a bachelor's degree with above-average results (a Credit, Distinction or GPA of 2.5 and above or equivalent) obtained from any recognized institution of higher learning in Environmental Health, Public Health or any other related field not more than 6 years ago. Female and underprivileged applicants are particularly encouraged to apply.

### Application Process

Applicants must apply for the scholarship via the DAAD portal. Applicants are asked to log into the DAAD portal, register and submit a DAAD application.

DAAD's Deadline: **December 9, 2022.**

PLEASE NOTE THAT REGARDLESS OF THIS PROCESS, APPLICANTS MUST AT THE SAME TIME APPLY FOR ADMISSION AT MUBAS. The advert for September 2023 intake will be flighted soon. You are advised to constantly visit the institution's website for the advert.

### Scholarship Webinar Series

DAAD Nairobi is offering a web seminar series where all details of the scholarship program and the currently open calls will be explained! Interested students can apply under the following link: <https://www.daad-kenya.org/en/online-seminar-schedule/>
